Freight in Time

About Us

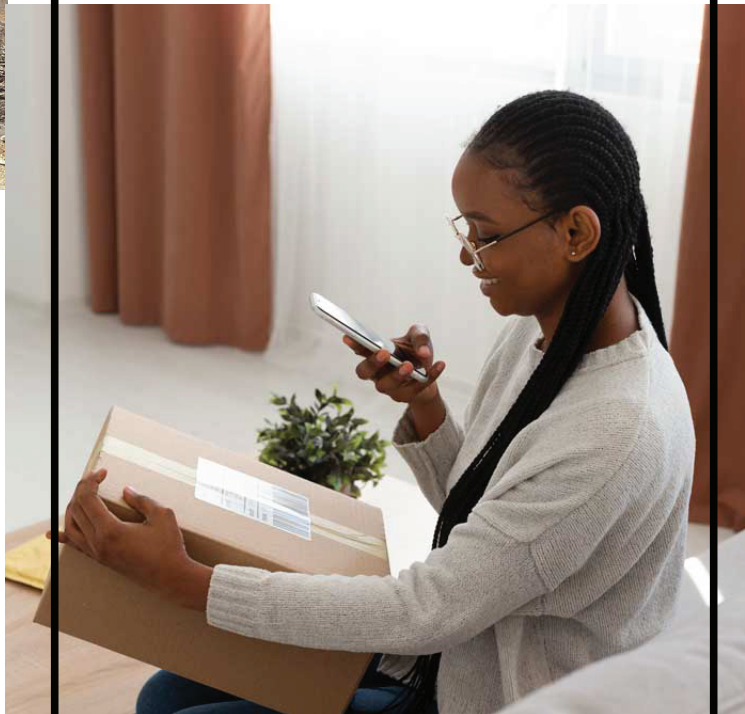

Freight in Time Group offers freight handling, warehousing, and distribution services across East Africa with global networks and local expertise.

FiT Express in Kenya offers import, export, and domestic courier services with competitive rates and shipment timelines.

Benefit from local expertise, global courier partnerships, and exceptional customer service.

Enjoy pick-up and drop-off services, and access all import, export, and domestic courier services, freight, warehousing, and distribution from Freight in Time, your one-stop-shop.

Benefits of FiT Express

- Competitive rates and transit times to any destination.
- Quick response times for rate requests and shipment follow-ups.
- Experienced local customer service and operational teams to prioritize your shipment.

- Convenient pick-up and drop-off services throughout Kenya.
- One-stop-shop for all your import, export, domestic courier, freight, warehousing, and distribution needs.
