

MEDIA KIT

Freightbook is a fast growing online database of **1500+** freight forwarders in 140+ countries. The unique profile pages and rating system provide a good insight into each registered company. Freightbook also provides a useful Smartphone Service where forwarders and suppliers to the freight industry can be found quickly on mobile devices, and a comprehensive online training course on Heavy Transport (Kuehne+Nagel, Bertling Logistics, DSV Panalpina and DHL have all recently signed up several of their staff).
